Dear Sir or Madam:

Citizens to Elect Rick Larsen (ID No. C00345546; "the Committee") submits this Miscellaneous Document to supplement its January Year-End Report.

Before preparing and filing its January Year End Report, the Committee determined that its reported cash-on-hand did not match that indicated on its bank statements. The Committee engaged a legal and compliance provider with significant FEC experience to review its records and identify the sources of the discrepancy. It was determined that the discrepancy accumulated over time since at least 2004, and that the majority of the discrepancy resulted from a numerical error on the reporting of a single Committee disbursement for a media buy on its 2006 October Quarterly Report. The Committee has identified almost all of the other sources of the discrepancy. With this letter, it provides a schedule of the necessary adjustments to support the cash correction on Line 21 of the January Year End Report.

The Committee is revising its compliance procedures to ensure that discrepancies of this sort do not recur. It has engaged an external compliance consultant to prepare and file its reports going forward. Moreover, it is implementing processes to conduct more frequent bank reconciliations and additional pre-filing reviews of its reports.

If you have any questions, please contact the Committee.

Sincerely,

Brooke N. Davis
Treasurer
